Press Release

**** X-Treme Gate™ to be Featured on Motorhead Garage! ****

Thursday, June 6, 2013, 3:05 pm PST: BR Marketing Group LLC is proud to announce their flagship product, **X-Treme Gate™**, the automotive industry's revolutionary slide-out truck bed extender, has been selected by Masters Entertainment Group as a premier truck accessory to be featured on their popular television show, "Motorhead Garage" which airs across the country on Discovery's **Velocity** network (channel 281 on DirecTV; check local listings for your cable or satellite provider).

Ed Beeman, President and CEO of BR Marketing Group LLC, announced this morning he has been invited to appear on **Motorhead Garage** to showcase **X-Treme Gate™**, the company's slide-out truck bed extender! Together with the show's hosts, Dave Bowman and Sam Memmolo, Ed will discuss BR Marketing Group LLC, the X-Treme Gate product, and the distributors and retail providers of X-Treme Gate. Together, the three men will also be installing X-Treme Gate on a truck to demonstrate just how quick and easy the installation process is.

The episode will be taped on Wednesday, June 19th in Motorhead Garage's studios in Bristol, TN. It will first air in mid-July then rebroadcast three more times in the following days and weeks along with several advertisements and commercials promoting X-Treme Gate and its appearance on Motorhead Garage. Be sure to visit our website, www.xtremegate.com, for more information, including dates and times when those rebroadcasts will air.

For information about becoming an authorized X-Treme Gate™ distributor or retailer, contact Mr. Beeman at ed.beeman@xtremegate.com or 1-855-GO-XGATE (855-469-4283).
